Unbounded courage and compassion join'd,

Tempering each other in the victor's mind,

Alternately proclaim him good and great,

And make the hero and the man complete.

Joseph Addison

The fall of 1971 marks a milestone in the history of H.H.S. The new gym, named in honor of Mr. Baldwin, was completed in mid-October. We wish to thank Mr. Baldwin for all his many efforts in securing the new gym.

Are they really working ??

An Enchanted Evening

Mr. A. P. Baldwin has served Honaker High School for twenty-nine years. During these years of sercice as principal, he has greatly influenced our interest in education and extra-curricular activities. In honor of his services at Honaker High, our new gymnasium was named the A. P. Baldwin Gymnasium.

Our new gymnasium is spacious; it has a seating capacity of 2,000.

The attractive, curved entrance is in keeping with the modern architecture of the building.

A side view of the gym shows the location of the downstairs classrooms.

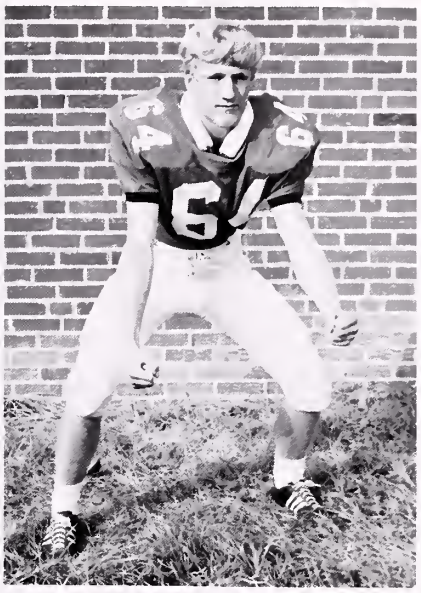
All District Football



These boys did a fine job this past football season. Each made All District. Eddie Wells (above right) showed great ability as halfback; Larry Clark (above center) demonstrated the art of catching the ball at end; John Fields (above right) showed how to clear holes for the ball carriers. John Played offensive guard and defensive linebacker, making All District in each. Curtis Deel (below left) made All District Tackle. Arthur Fields (below right) made All District Offensive Tackle and Defensive End. He also made Southwest Virginia Tackle.

Tigers in Action

Randy Fields dominated rushing statistics during the Haysi game.

Powerful runners in the backfield and good blocking up front brought the Tigers to a winning 6-3-1 season.

Tigers Quarterback Jerry Kennedy could direct a frightening passing attack or could run well.

Randy Fields scored 6 of the points made against the Haysi Tigers.

After battling the Clinch Valley District powers - Castlewood, Lebanon, Pocahontas, and Twin Springs, the 1971-72 TIGERS experienced a disappointing year in records. However, the team showed determination and spirit throughout the season. With the returning of experienced lettermen and the addition of several excellent players from the Junior Varsity team, the 1972-73 TIGERS look forward to next season.

Tiger Captain, Kerry Compton shows us how he makes it look easy. With his skill and leadership, Kerry led the Tigers to an eventful season for which Tigers love him.

Mike gets the tip against a St. Paul Deacon.

Compton shoots with no hope for a rebound, in the last three seconds.

The shot was almost blocked, but Kerry comes through for two points.

Terry, a little excited, is ready for Harvey's tip.

Gary Ashby goes high for a jump ball against St. Paul.

Compton barely gets this one off for two points.

Clark says, "I sure hope Coach sees this one!"

Our Junior Varsity team had a very successful season. The Tigers played well at both ends of the court. Offensively they scored an average of 41 points per game and with a good defense gave up an average of only 32 points per game. The leading scorers were Rodney Jessee and Jackie Ray. They averaged 11.5 and 9 points per game respectively. The leading rebounder, Ronnie Perkins, averaged 9 rebounds per game. The Junior Varsity record was sufficient to qualify them for the district play-offs.

Despite being so young and inexperienced, the 1971 baseball team coached by Tom Harding was a success. This was Coach Harding's first year as head baseball coach. We appreciate the fine coaching he gave the team. New uniforms created gusts of enthusiasm and team spirit. The team finished the season with six wins and five losses. Although the team lost two players, the team as well as the students at H.H.S. are optimistic about the '72 season.

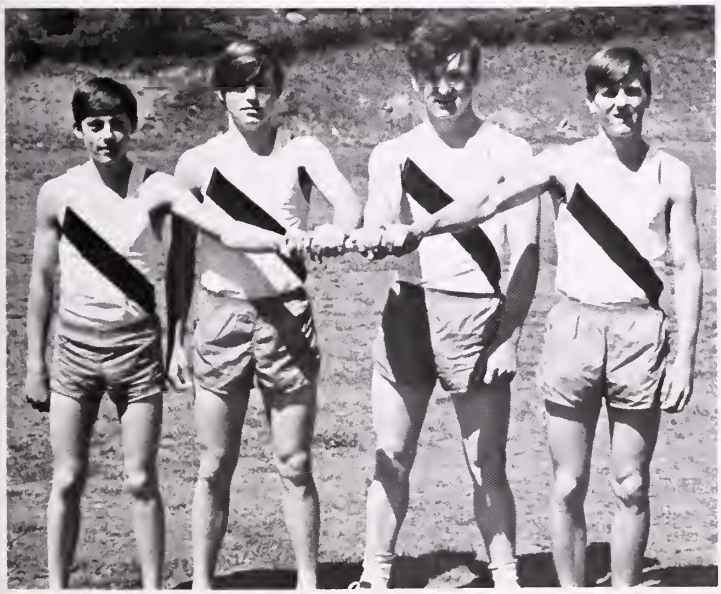
We are very proud of our 1971 track team. Honaker placed third in the Regional Track Meet where they were in competition with 21 other schools. Six of the boys that placed in that meet then traveled to Charlottesville where they competed in the State Track Meet. Those boys were David Musick (given M.V.P. award), Randy Fields, Max Kennedy, Ronnie Whited, Jim Sykes, and Ricky Keene.



This is the mile relay team that represented Honaker High in the District and State Track Meet.
